Clin Psychopharmacol Neurosci 2014;12(2):124–127

In the published article “Su-Xia Li, *et al.* Antidepressant effects of ketamine on depression-like behavior in juvenile mice after neonatal dexamethasone exposure. *Clin Psychopharmacol Neurosci* 2014;12(2):124-127. <http://dx.doi.org/10.9758/cpn.2014.12.2.124>,” the Figure 1A was given incorrectly. The Editorial Office of *Clin Psychopharmacol Neurosci* would like to correct the typographic errors in the dose of DEX from the original publication. We apologize for any inconvenience that it may have caused.

Before correction:

Fig. 1.

A

The Fig. 1A should be corrected as follows:

A
